JANUARY 2025

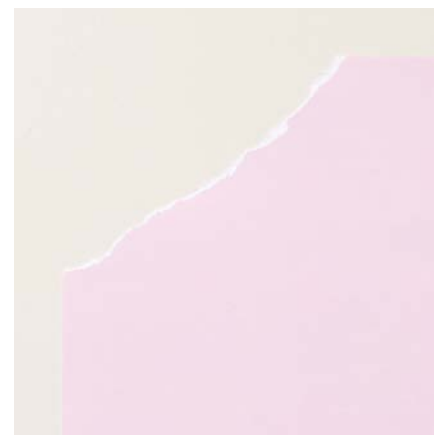

Love
this

BEST
EVER

I love it when Lola and I get together. It doesn't matter if we're on a big adventure or just staying in and talking - we always have the best time!

Tones on Tones

We're adding six more colours to our Two-Tone Cardstock line. We love that you get double the colour on one sheet of paper! New to Two-Tone Cardstock? Here are some things to love.

White Core

Has a white core that's great for techniques like tearing. Complements our solid-core cardstock.

Two Sided

Two-sided paper with a light side and a dark side of the same colour!

Versatile

Gives you more colour options and is easy to use with your favourite stamps and tools.
